FM Forum Objectives

Format

• Termly Meetings
• Held on fourth Thursday of each term
• Timing: 11.45 – 2pm
• Various speakers
• Lunch and networking

Objectives

• To create a supportive network of FM professionals, facilitating communication between FM peers within the University.
• To aim to enhance the FM profession within the University.
• With an Oxford University-wide perspective to examine the issues, opportunities and success factors for enhancing FM across the University.
• To discuss FM issues and understand departmental priorities. Findings may be fed in to wider University/FM policy.
• To consider the opportunities for best practice and efficiencies.
• Opportunities to reduce duplication of effort and increasing standardisation in processes.
