In divorce and separation, whatever the circumstances, parents and children encounter mixed emotions. This webinar explores how to have better conversations, acknowledge the feelings involved and begin to transform some of the negatives into positives via practical tips from those who have first-hand experience. Being a Dad webinars take a look at parenting from a Dads perspective but remain open and relevant to all genders and families.

Join us on:
Thursday 8th
February 2018
12:30pm - 1:30pm

Register at the Knowledge Centre on your Work+Family Space:
