

UAS Conference Series 2013/14

Introducing Green Impact

Jennifer Hurst & Jade Neville
Environmental Sustainability, Estates Services

26 June 2014

Green Impact

Energy and CO₂ management

Emissions and discharge

Water

Biodiversity

Sustainable travel

Waste and material resources

Sustainable purchasing

Community

Education, research and knowledge transfer

Green Impact - What is it?

- An awards scheme for staff
- Helps departments improve working environments and reduce their environmental impact

Green Impact - overview

- Teams use an online workbook of suggested actions designed specifically for the University of Oxford
- A framework to reward good environmental practice within departments
- Student volunteers support the programme

Green Impact student auditors
