### Changes to the Lecture Lists

March 2010

Following the decision last year of several areas to discontinue their printed Lecture List, in Trinity Term the Publications and Web Office wrote to other faculties and departments, asking them to confirm if they wished to continue their printed list.

**As a result of this consultation, the following faculties and departments have decided to discontinue their printed Lecture List, which will now be available online at the following addresses. Links to all lists can also be accessed at [www.admin.ox.ac.uk/pubs/lectures/](http://www.admin.ox.ac.uk/pubs/lectures/).**
